## **SIEMENS**

Data sheet 3SK1211-2BB40

SIRIUS safety relay Output expansion 4RO with relay enabling circuits 4 NO contacts plus Relay signaling circuit 1 NC contact Us = 24 V DC Spring-type terminal (push-in)

Figure similar

| General technical data                          |                         |
|---|-------------------------|
| Product brand name                              | SIRIUS                  |
| Product category                                | Safety relays           |
| Product designation                             | Output expansion        |
| Design of the product                           | Relay enabling circuits |
| Protection class IP of the enclosure            | IP20                    |
| Protection against electrical shock             | finger-safe             |
| Insulation voltage rated value                  | 300 V                   |
| Ambient temperature                             |                         |
| during storage                                  | -40 +80 °C              |
| <ul> <li>during operation</li> </ul>            | -25 +60 °C              |
| Air pressure acc. to SN 31205                   | 90 kPa 106 kPa          |
| Relative humidity during operation              | 10 95 %                 |
| Installation altitude at height above sea level | 2 000 m                 |
| maximum   |                         |
| Vibration resistance acc. to IEC 60068-2-6      | 5 500 Hz: 0.75 mm       |
| Shock resistance                                | 10g / 11 ms             |
| Surge voltage resistance rated value            | 4 000 V                 |

| EMC emitted interference   | IEC 60947-5-1, IEC 61000  |
|--|---|
| Installation environment regarding EMC                             | This product is suitable for Class B environments and can also be |
|  | used in domestic environments.                                    |
| Overvoltage category   | 3   |
| Degree of pollution  | 3   |
| Reference code acc. to DIN EN 61346-2                              | F   |
